Notice For Directory Information

[Note: Per 34 C.F.R. § 99.37(d), a school or school district may adopt a limited directory information policy. If a school or school district does so, the directory information notice to parents and eligible students must specify the parties who may receive directory information and/or the purposes for which directory information may be disclosed.]

Directory information

The *Family Educational Rights and Privacy Act* (FERPA), a Federal law, requires that Spectrum Academy, with certain exceptions, obtain your written consent prior to the disclosure of personally identifiable information from your child's education records. However, Spectrum Academy may disclose appropriately designated "directory information" without written consent, unless you have advised the **Spectrum Academy** to the contrary in accordance with Spectrum Academy procedures.

Purpose of directory information

The primary purpose of directory information is to allow the Spectrum Academy to include information from your child's education records in certain school publications. Examples include:

- A playbill, showing your student's role in a drama production;
- The annual yearbook;
- Honor roll or other recognition lists;
- Graduation programs; and
- Sports activity sheets, such as for wrestling, showing weight and height of team members.

Directory information, which is information that is generally not considered harmful or an invasion of privacy if released, can also be disclosed to outside organizations without a parent's prior written consent. Outside organizations include, but are not limited to, companies that manufacture class rings or publish yearbooks.

Military recruiters and institutions of higher education

In addition, two federal laws require local educational agencies (LEAs) receiving assistance under the Elementary and Secondary Education Act of 1965, as amended (ESEA) to provide military recruiters or institutions of higher education, upon request, with the following information – names, addresses and telephone listings – unless parents have advised the LEA that they do not want their student's information disclosed without their prior written consent. **[Note: These laws are Section 9528 of the ESEA (20 U.S.C. § 7908) and 10 U.S.C. § 503(c).]**

Opting out

If you do not want Spectrum Academy to disclose any or all of the types of information designated below as directory information from your child's education records without your prior written consent, you must notify the Spectrum Academy in writing by **two weeks after the first day of school**.
