

Dear Spectrum Parents,

It seems like school just ended yesterday. Now another school year is upon us again! We need to remind you that the Free and Reduced Applications from last year ended the last day of the school year. Please login to Aspire and fill out a new application for this next year. A printable Free and Reduced Applications will be available after July 1st 2024 at <https://www.spectrumcharter.org/> . Printed applications can be emailed to chrissy.lewis@spectrumcharter.org. Please remember Free and Reduced Applications are different then the School Fee Waiver.

We are continuing with parents preordering their children's meals. You preorder meals on the school website. This will be available by August 1st for this school year. We will continue to have four choices for the students for lunch. (Menu Item for the day, PB&J, Meat Sandwich, and Meat and Cheese Sandwich) Because we have so many choices, we are asking for parents to please preorder. You can preorder at <https://www.spectrumcharter.org/> .

Negative Balance Policy

If your child has a negative balance of -\$20, and they are signed up for a school breakfast/lunch, they will not be able to receive a full school breakfast/lunch until the balance is paid. Under the Negative Balance Policy your child will receive a breakfast item in the morning, and a sandwich at lunch. They will not receive milk, or salad bar (at the High School). The cost of this meal will be \$1.

The policy will be in effect until the child's account is paid.
